Sub: Request for payment in cash to the Railway employees.

Sir,

This office poured with complaints of Railway employees that, in the present situation they are facing lots of hardship in maintaining family requirements and performing day to day duties due to non availability of cash in hand.

As per the RBI directives, cash withdrawal from ATM and the Bank is allowed up to certain limit, but lots of ATM's are running out of cash and in case of withdrawal from the Bank there are longer queues and there is uncertainty in getting cash from the Bank in time.

At present employees are facing severe problems that whether they will remain in the queue for withdrawal of required cash from the Bank or ATM or to attend their duty in time.

Under the prevailing circumstances it proposed that,

- 1) Immediate advance payment in cash of Rs.10,000/- which is recoverable from their regular salary.
- 2) Payment of salary in cash till the situation normalized.

Sir, you are requested to take necessary steps for arranging cash payments as requested above to mitigate hardship faced by Railway employees and their families and to enable them to perform their day to day duties.

Action taken will be highly appreciated.
